

Stefan Swanepoel | New York Times Best Selling Author of Surviving Your Serengeti

Keynote: 60 – 90 Minute Presentation

Note that this presentation is more than just a talk. It is a high-energy, multi-media experience that takes attendees on an “Africa Safari.” The experience is designed to excite and energize attendees in discovering their unique instinctive “animal” skill, the skill of those they work with, and it teaches how attendees can improve themselves and their team.
